MEMBERSHIP

Criteria and Procedures for Selection

Selection for membership in the Aledo Middle School Chapter of the National Junior Honor Society occurs in September of a student's eighth grade year. Only those students who meet all criteria for membership outlined below, submit a completed application, and are selected by the Faculty Council will be inducted into the AMS Chapter of NJHS.

Scholarship

Scholarship requires the following minimum standards:

- ❖ Grades based on the student's seventh grade year-end report card:
 - The *minimum* year-end average in all individual on-level **core classes** shall be 92.
 - The *minimum* year-end average in all individual Pre-AP **core classes** shall be 90.
- ❖ Grades based on the student's 8th grade first 6 weeks report card:
 - The *minimum* 6 weeks average in all individual on-level **core classes** shall be 92.
 - The *minimum* 6 weeks average in all individual Pre-AP **core classes** shall be 90.

Character

Character requires no record of expulsion, off-campus suspension, or DAEP during the current or previous two full semesters. Applications should have no "U" in Conduct within the current or previous two semesters.

Service

Service encourages candidates to be active in at least one service organization, project, or activity in his or her school or community during the current year and/or previous two years. Service is defined as work performed for the good of the school or community when there is no visible compensation to you. Willingness to serve is an important attribute of NJHS members.

Leadership

Leadership involves that the candidate be active in at least one recognized club, organization, or UIL activity in the school or community that stresses such attributes as leadership, responsibility, initiative, teamwork, and dependability.
