PREFACE

To Students and Parents:

Welcome to school year 2017-2018! Education is a team effort, and we know that students, parents, teachers, and other staff members all working together can make this a wonderfully successful year for our students.

The Aledo Middle School Campus Supplement is designed to provide a resource for some of the basic information that you and your child will need during the school year. In an effort to make it easier to use, the supplement is divided into two sections:

Section I: Items Referenced in the District Handbook

Section II: Campus Specific Policies and Procedures

After reading through the supplement with your child, keep it as a reference during this school year. If you or your child has questions about any of the material in this supplement, please contact a teacher, the school counselor, or the principal.

SECTION I: ITEMS REFERENCED IN THE DISTRICT HANDBOOK

PARENTAL INVOLVEMENT

Participating in Campus Parent Organizations

Aledo Middle School parents and guardians are encouraged to participate in following organizations: PTO, Watch D.O.G.S., Band Booster Club, and Athletics Booster Clubs. Participation in these organizations requires a background check and specific organization application forms.

PARENTAL RIGHTS

Removing a Student from Human Sexuality Instruction

As a part of the district's curriculum, students receive instruction related to human sexuality. The School Health Advisory Council (SHAC) is involved with the selection of course materials for such instruction.

State law requires that any instruction related to human sexuality, sexually transmitted diseases, or human immunodeficiency virus or acquired immune deficiency syndrome must:

- Present abstinence from sexual activity as the preferred choice of behavior in relationship to all sexual activity for unmarried persons of school age;
- Devote more attention to abstinence from sexual activity than to any other behavior;
- Emphasize that abstinence is the only method that is 100 percent effective in preventing pregnancy, sexually transmitted diseases, and the emotional trauma associated with adolescent sexual activity;
- Direct adolescents to a standard of behavior in which abstinence from sexual activity before marriage is the most effective way to prevent pregnancy and sexually transmitted diseases; and
- If included in the content of the curriculum, teach contraception and condom use in terms of human use reality rates instead of theoretical laboratory rates.

In accordance with state law, below is a summary of the district's curriculum regarding human sexuality instruction:

The Aledo ISD presents instruction relating to human sexuality, sexually transmitted diseases, HIV and AIDS with the advice of the local School Health Advisory Council (SHAC) following school board policy EHAA (LEGAL). The SHAC is a district wide committee comprised of parents, teachers, counselors, students, and community members. The Aledo ISD Board Policy states that sex education must:

- present abstinence as the preferred choice of behavior for unmarried persons,
- present abstinence as the only method that is 100% effective in preventing pregnancy, STDs, HIV, and AIDS and the emotional trauma of adolescent sexual activity, and
- teach contraception and condom use in terms of human use reality rates instead of theoretical laboratory rates.

Aledo Middle School utilizes the approved state curriculum in the area of science along with the AIM For Success and Freedom to Succeed programs. Aledo High School utilizes the approved state curriculum in the area of health and science along with the Worth the Wait program. The list of all approved materials is available on the SHAC page of the district website.

As a parent, you are entitled to review the curriculum materials. Parents also have the right to remove a student from this human sexuality instruction without penalty as well as the right to review the

curriculum materials by contacting the campus principal. Parents are encouraged to participate in the district School Health Advisory Council (SHAC). If you have any questions concerning this information or are interested and willing to serve on the SHAC please contact your student's principal.

ABSENCES/ATTENDANCE

Excused/Unexcused Make-Up Work Policy

A student will be responsible for obtaining and completing the makeup work in a satisfactory manner. For every day absent, the student will have one day to complete make-up work due to absences. A student who does not make up assigned work within the allotted time will adhere to the Late Work Policy.

A student is encouraged to speak with his or her teacher if the student knows of an absence ahead of time, including absences for extracurricular activities, so that the teacher and student may plan any work that can be completed before or shortly after the absence. Please remember the importance of student attendance at school and that, even though absences may be excused or unexcused, all absences account for the 90 percent threshold in regards to the state laws surrounding "attendance for credit or final grade".

A student involved in extracurricular activity must notify his or her teachers ahead of time about any absences.

A student will be permitted to make up tests and to turn in projects due in any class missed because of absence. Teachers may assign a late penalty to any long-term project in accordance with time lines approved by the principal and previously communicated to students.

AWARDS AND HONORS

An awards assembly is held each year at the conclusion of the school year recognizing accomplishments achieved throughout the year. Selected students are also recognized each month as "Students of the Month". Students of the Month are nominated by Aledo Middle School staff members.

CLASS SCHEDULES

Schedule Changes

Any schedule change must be approved by the principal. Request forms are available in the AMS offices. Schedules may not be changed due to teacher or period preference. The student and parent may determine the student's personal dress and grooming standards, provided that they comply with the general guidelines set out above and with the student dress code as outlined.

If the principal or the principal's designee determines that a student's grooming or dress violates the dress code, the student shall be given an opportunity to correct the problem at school. If not corrected, the student shall be assigned to in-school suspension for the remainder of the day or until the problem is corrected. Repeated dress code offenses will result in progressive disciplinary action.

Parents may park in the faculty parking lot located directly in front of the school. At no time should parents park in the drive thru located in front of the building. However, parents may use the lane during the hours of 9:10-3:50. The faculty parking lot should not be used for student pickup or dropoff during arrival or dismissal time.

CHEATING /PLAGIARISM /ACADEMIC DISHONESTY

Copying another person’s work, such as homework, class work, or a test, is a form of cheating. Plagiarism, which is the use as one’s own of another person’s original ideas or writing without giving credit to the true author, will also be considered cheating and the student will be subject to academic disciplinary action that may include loss of credit for the work in question. Teachers who have reason to believe that a student has engaged in cheating and other academic dishonesty will assess the academic dishonesty, and the student will be subject to disciplinary penalties as well, according to the *Student Code of Conduct*.

DELIVERIES TO STUDENTS AT SCHOOL

Flowers, balloons, personal or any other non-school related packages or items delivered to the school will not be given to a student until the end of the day. The student will be notified to pick up the material, but none of the materials will be delivered to the student. Classroom interruption will not be permitted for the purpose of deliveries.

Deliveries will not be accepted for Homecoming or Valentine’s Day.

DISCIPLINE MANAGEMENT PROCEDURES

- Teacher will document misbehavior and select appropriate disciplinary consequences.
- Parent will be notified before student citizenship is lowered to “N” or “U”.
- Subsequent misbehavior will result in administrative disciplinary action taken in accordance with Chapter 37 of the Texas Education Code.

When a written referral is given to the office for a violation of the Student Code of Conduct, the following procedures will normally be followed, but not necessarily in this order:

Parent Notification	In-School Suspension	DAEP
Lunch Detention	Behavior Contract	Expulsion
After School Detention	Off-Campus Suspension	

In School Suspension

In School Suspension means that a student is assigned to a designated classroom other than the student’s regular classroom. Students must take the necessary school supplies and a lunch or lunch money. Assistance will be available to students while in ISS for assignment completion. Teachers assign work each day, and it is the student’s responsibility to make sure the work is complete before returning to the regular classroom. The student will be responsible for academic and behavior modification assignments.

Off Campus Suspension

Off campus suspension means a student is prohibited from attending school or any school related function for the extent of the disciplinary time period. Students will be responsible for completing the work they miss.

Disciplinary Alternative Education Placement

DAEP is reserved primarily for extended disciplinary actions. Students assigned to DAEP receive work on a weekly basis from their home campus. While assigned to DAEP a student is prohibited from attending school or any school relation function.

EXITING PAP STUDENTS

Students may be exited from a PAP course and placed into a regular course if they are unsuccessful with the PAP material (average below a 70). Removal from a Pre-AP Course requires completion of an Academic Action Plan and principal approval. See Mandy Musselwhite regarding removing a student from a PAP course.

FOOD AND DRINK

Food and drink should be restricted to the cafeteria unless approved by the administration. Bottled water is permitted in the halls and classrooms. Any item that gives the appearance or taste of a banned substance is not permitted.

Parents may bring food for their student to the front office. Parents are not permitted to bring food items for other students.

GRADING GUIDELINES

Grading guidelines for each grade level or course will be communicated and distributed to students and their parents by the classroom teacher. These guidelines have been reviewed by each applicable curriculum department and have been approved by the campus principal. These guidelines establish the minimum number of assignments, projects, and examinations required for each grading period. In addition, these guidelines establish how the student's mastery of concepts and achievement will be communicated (i.e., letter grades, numerical averages, checklist of required skills, etc.). Grading guidelines also outline in what circumstances a student will be allowed to redo an assignment or retake an examination for which the student originally made a failing grade.

AMS is on a 100 point grading system. The method of arriving at six weeks grade will be explained in each teacher's class information. Semester grades are determined by averaging the three six weeks' grades and counting the average as 90%, and the semester exam as 10%. HEALTH-RELATED MATTERS

Fever: Returning to School

Students sent home with a fever of 100 degrees or above, or symptoms of illness such as vomiting or diarrhea must not return until free of fever and free of symptoms for at least 24 hours.

LATE ARRIVAL TO SCHOOL

School begins at 8:40 a.m., students must report to the office with a parent or doctor's note to receive an admit slip if they arrive after 8:40 a.m.

LOCKERS

Lockers will be issued to all students. Students will keep the same locker throughout the year. Any request for a locker change should be addressed to the office. Students should only use the locker assigned to them. **Students will NOT decorate the outside of the lockers.**

Lockers remain under the jurisdiction of the school even when assigned to a student. The school reserves the right to inspect all lockers. A student has full responsibility for the security of the locker and is responsible for making certain it is locked and the combination is not available to others. Searching of lockers may be conducted whenever there is reasonable suspicion whether or not a student is present. Any student caught abusing or damaging a locker may have their locker privileges revoked.

Students are responsible for providing their own lock and must provide the office with a copy of the key or combination. Any lock on lockers without key or combination on file is subject to removal.

PUBLIC DISPLAY OF AFFECTION

Public display of affection, such as physical contact, holding hands, embracing, or any other activity that becomes a distraction to the participants, or to those witnessing, will be subject to disciplinary action.

REPORT CARDS AND PROGRESS REPORTS

Report Cards

Report cards are issued every grading period. Report cards are computer-generated and will be distributed to the students during the week following the end of a grading period. **Report cards must be signed and returned to the advisory teacher within 3 days of issuance if a student fails a class with a 70 or below.**

Progress Reports

After the 15th day of a six weeks period, progress reports will be distributed. If a student has a grade below 75 in any subject, or if a grade has dropped 10 points or more from the previous grading period, the parent will be contacted by the teacher. There will be a place for the guardian's signature. These slips are to be signed and returned to the appropriate counselor

SAFETY

Emergency Drills: Evacuation, Severe Weather, Lockdown and Other Emergencies

From time to time, students, teachers, and other district employees will participate in drills of emergency procedures. When the drill is set into motion, students should follow the direction of teachers or others in charge quickly, quietly, and in an orderly manner.

Students will be explicitly taught campus procedures for evacuation, severe weather, lockdown and other emergencies each school year.
